Guacamole

INGREDIENTS

3 ripe Avocados

1 vine ripe tomato, diced

1/2 small onion, minced

1 tbs. fresh cilantro, chopped

1 1/2 tbs. fresh lemon or lime juice

1 clove garlic, minced and mashed.

Salt to taste, 1/2 teaspoon should do.

Preparation:

Cut avocados in halve and scoop out flesh into a bowl. Add remaining ingredients and stir till well combined.

When in season I like the rough black skin avocados. Should be soft when squeezed, same with the green avocados.
